

MAKE IT HAPPEN KIOSKS COMPETITION

We are offering the loan of six kiosks to Enterprise Societies of English Universities. The pitching and awards of these will be done at the NACUE Leaders training event at the end of April. These kiosks will be delivered to the winning teams during May 2010.

1. You have a prominent space to locate the kiosk within the university. This location should have power and either wired internet or wifi.
2. The ability to create a portal which promotes the society, enterprise within the university and FlyingStart.
3. Demonstrate how this will increase awareness of the society within the university in terms of membership, awareness of facilities and services, and widen participation of Enterprise activities within the university.
